Company Profile

Potomac Services was established in 1996 and is a Small Business certified, offering full service facilities management. Over the past seven years, the company has experienced tremendous growth and has earned reputations for providing quality services to its clients. Initially, Potomac Services started out providing grounds maintenance for residential and commercial clientele. Potomac Services has since expanded its services into facilities maintenance and program management. Its service offering now includes snow removal, custodial services, operations and maintenance, warehousing and storage, courier services and document management for government facilities.
